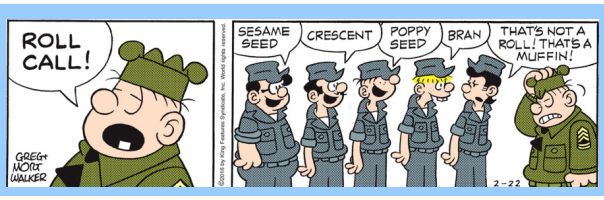
Meetings: Third Monday of Each Month



Dear Zonta Sisters,

The date of June 30th will now be forever a date engrained unto my memory bank; that is the deadline date that all of the annual Zonta club reports are to be submitted to the Zonta District 10 Secretary! The report categories are as follows: Service, Finance, Advocacy, Public Relations and Communications, Membership, Board Officers, Committee Chairmen, and the President's Annual report. The Finance, Board, Committee Chairmen, and the President's Reports are not judged. The rest are reviewed and rated, and if selected, will be recognized at the Governor's Summit in October. Our club has a long history of garnishing many report awards every year at the district level. Along with being perfectly penned and recorded, these award achievements are the result from combining successful club goal setting and achievement. It is a true history reflection of our club. Thank you to those Board Members/Committee Chairs that assisted in getting these reports completed timely so that the deadline could be met. The final report submission was transmitted through email on June 29th at 11:36 pm! I am most grateful. These reports will be shared at future meetings; I encourage you to take a look into what goes into these submissions.

The very "heart" of the report data starts at the beginning of each fiscal year, and this year is no exception. Your club's Board Members have been working especially hard these past few weeks. Projects and programs have been carefully selected so that we, as the Zonta Club of Fredericksburg, may achieve the optimum in our service, advocacy, public relations, communications, and membership efforts. Much time and effort has been spent by your Board toward creating committee assignments that we hope will be the perfect combination of club member talents, enthusiasm, and skills. I cannot stress enough how very important it is for EVERY member to become active and fulfill their commitment to our club. **It takes ALL members becoming ENGAGED about their passion toward being a part of Zonta Club; it takes ALL members showing their dedication and responsibility to accomplish the service and advocacy each of us pledged when we were inducted as members**. I know I can count on every ZCF member to answer this call by attending monthly meetings, participating in program and committee thrusts, helping to raise funds, and pledging your commitment to making this next year a stellar roll call to Zonta. Please stand and answer "PRESENT" to making this next year all it can be!

Yours in Zonta,

Frankie Hohenberger, President

Feeling Blessed and Giving Thanks

We were blessed to be able to meet Setan and Randa Lee who manage the experience we call "We Can Cambodia" for Zonta's advocacy. They live part time in the states and then part time in Cambodia helping the people learn to support them selves through the program. Thanking us for this year's ZCF donation of over 1000 jars to allow the people in communes to preserve the vegetation they grow during the flood season which is 70% of the year. There are 21 provinces in a commune and many who come to the classes are reached by means through the churches and by passing out flyers at the marketplaces. We had over 200 attend the sessions the 7 volunteers taught. The future of We Can Cambodia is to continue preserves but add gardening techniques in raised beds, 4-Square Gardening and Business Skills classes. Their gratefulness shows in their smiles!

These ladies have their hands full and there are still needs for more volunteers!
From Zonta they are hoping to fill the following volunteer positions ASAP!
